ARKK & UTH XL

✉ uthxl@biblewaycc.org

🌐 www.biblewaycc.org

WHAT WE DO

Lead children and teens to a personal relationship with Jesus Christ through interactive lessons, engaging conversations and fun activities. At each stage of a child's life, we aim to instill an age-appropriate understanding of the love of Jesus Christ and what it means to follow Him. At Bible Way, this is done through our ARKK (Awesome Radiant Kingdom Kids), and Uth XL (Youth Excel) Ministries.

WHY SERVE HERE?

Being in proximity to the energy, awe and light of a young person is inspiring and good for your health! As an active part of their Christ-centered training and upbringing you will help fulfill the scripture that if we train a child up in the way they should go, when they are old, they will not depart from it. You will rarely find a role in church that has a higher calling with such profound eternal consequences.

And the learning goes both ways. As you build relationships and pour into these young people, you'll find that they will teach you a few things as well. Besides, where else can you learn the latest dance moves and eat multi-colored goldfish!
